**Congratulations on your new
home in beautiful**

SOUTH CAROLINA

Please help us keep our state clean

WELCOME TO OUR COMMUNITY!

Congratulations on your new home! Buying a home is one of the biggest investments you will make. Whether this is your first home in South Carolina or you've moved into a new community, PalmettoPride is proud that you call this state home.

People call South Carolina home because we have so much to offer - state and national parks; the mountains in the Upstate; the charm of the Lowcountry; the beautiful beaches; our mild climate; our lakes and rivers; and, most importantly, our friendly nature.

There's one thing nobody enjoys, litter! We want to thank the millions of residents who help us keep our beautiful state litter-free.

PalmettoPride
Your Anti-Litter Organization

ABOUT PALMETTOPRIDE

Litter doesn't just affect the appearance of our state. It has a significant effect on our overall quality of life. Litter has a direct impact on economic development. It harms the environment. Litter can pollute our streams, lakes and rivers through storm-water run-off and non-point source pollution. Litter affects our neighborhoods and our communities.

Statewide, many different organizations are involved in helping us reduce litter. We work with State agencies, law enforcement, Keep America Beautiful, as well as individual homeowners. We encourage all citizens to take responsibility for their communities and help us keep South Carolina beautiful.

What can you do? That's easy, from cigarette butts and fast food wrappers to bottles, cans and the bags they came in, put litter in it's place!

Most of all, no matter where you are, we ask you to remember...

**Litter
Trashes
Everyone.**
Don't Do It.
